New 2" Corded Expander Tool Offers Unlimited Power Potential for Commercial PEX Applications

With its six-foot power cord for unlimited power potential, the new ProPEX® 201 Corded Expander Tool from Uponor is the ultimate solution for efficient, cost-effective, commercial-sized 2" PEX applications.

The convenient, 110-volt unit makes fast, easy ProPEX connections to Uponor AquaPEX® and hePEX™ tubing for plumbing and radiant applications. It features a self-contained, pistol-grip design for easy handling, uses current Uponor 2" H-series expander heads, and comes with a durable, heavy-duty carrying case for easy storage and transport.

The ProPEX® 201 Corded Expander Tool makes fast, easy connections for Commercial plumbing and radiant systems.

-more-

“The new ProPEX 201 tool is our solution for professionals in the commercial building industry,” says Jayson Drake, senior product manager, Plumbing and Fire Safety, at Uponor. “With the convenience of a corded expander tool that never runs out of power, the commercial installer can save valuable amounts of time making consistent ProPEX connections for their plumbing or radiant applications.”

The ProPEX 201 Corded Expander Tool Kit comes with a corded expander tool, 2" H-series expander head, lubricant, operation manual and carrying case.

The ProPEX 201 Corded Expander Tool Kit features a ProPEX 201 Corded Expander Tool, 2" H-series expander head, lubricant and operation manual, all in a heavy-duty carrying case.
